Dear Praying Friends,

Please pray for **the nation of Bolivia**. In September, there were **MANY fires burning in the lowland and jungle areas**. Many have lost homes, lives changed, thousands of animals killed. Flights had to be cancelled due to very low visibility. The government seems to be doing nothing. Please pray that our Father God, Creator of the universe, will open up the storehouses of rain and let it pour.

Thank you for praying for the very sad situation that happened on June 29 with the airplane accident. Please continue to pray for **the Velasquez Martinez family**. **Pray for Ivo's wife, two small children, parents and brothers**. A lot of responsibility has fallen on Tony to help the new director get familiar with how to run the Mano a Mano organization's flight program—Ivo was both the director and pilot. **Thank you for praying for Tony—it is a very difficult time for him.**

Thank you for praying for our **mission safety in the flight program**.

Pray for **Ely, our single missionary in Oromomo**—she has **heart issues**. Pray for the Lord's healing and that she will not have any more episodes. She is **studying the Chimane language**—pray the Lord enables her to learn the language well.

Pray for **Katia, wife of Elmer, recovering from a kidney infection caused by kidney stones**. They serve at the Bible School.

Pray for **the Bible School students**—Chimane, Yuracare, Yuqui, Aarona, and Trinitario. Pray for their **understanding of what they are learning**. **Pray for the staff—and the health of all who live there**. We are trying to put in a clean water well.

Pray that the Lord will **open the eyes of the tribal people in the different villages along the Secure River that have been blinded for so long**.
